## YOUNG OPPOSED TO STATE CAMP FOR NATIONAL GUARD

Cherished Hope of Michigan's Citizen Soldiers is Not to Be Realized Because of Inability to Find Right Location.

Despite the fact that the military appropriation bill which has been reparted to the national house of representatives contains an appropriation of \$1,350,600 for the instruction of the and that it is probable that 7 or 8 University of Michigan, camps of instruction will be located in one of the favored commonwealths. Representative Young, of the Twelfth District, who is a member of the milabout the subject said recently in

"The question of the location of Taft, these several camps of instruction for the state, however, available for such purpose. The farm lands are too costly and the government could not afford give a final reply to the suggestion Detroit Master Explains Conditions to be written, and among those that the government. The first notice sent question of transportation will have to be taken into consideration. Michigan is not as easy of access as some of the other states and the government is always looking for a location able price.

#### CLAIMS ARE ALLOWED.
